To whom it may concern,

I recently had laminate flooring installed throughout my house by Hillcrest Laminate and Molding.

I highly recommend this company for flooring installation.

The owner (Jared) was very helpful in the selection of flooring, underlay and baseboard style. The work was done on the agreed date and the quality of the work is superb. All debris was removed and my house was left completely clean.

I could not be more pleased with the result and am pleased to submit my name as a reference.
